Hach

Eulalia

C 19012 *Ptilopus* *multicarpus*
allua
Moist place near summit

Agrostis cumingiana Tuck
C 19013 *Agrostis* *eburnea* (Nes)
Moist place near summit
In company with
Agrostis *speciosa* (Nes)
No 04 5009

Paspalum *cartilagineum*
C 19014 *Paspalum*
Moist place near summit

Agrostis peruviana Tuck
C 19015 *Agrostis* *eburnea* (Nes)
Moist place near summit
Same as Japanese spec.

Isachne phurraensis Merr
C 19016 *Isachne*
Upper slopes - summit

Phyllostachys nigra
C 19017 *Phyllostachys*
Upper slopes - summit - 4-5 ft tall,
usually blunt or slightly notched
sometimes yellowed.

Arundinella anomala Steud
C 19018 *Arundinella anomala*
Grassland of upper slopes

Miscanthus sinensis
ditto a small tuft

Syntherisma chinensis (Thunberg) Hitchc.
C 19020 *Syntherisma chinensis*
Along bank near summit

Miscanthus sinensis Anders
C 19021 *Miscanthus sinensis*
Grassland of upper slopes

19022 *Chaetochloa pauciflora* (Willd.)
Wet place near summit
More steep place near summit

19023 *Poa* on *Urtica*
Swampy place near summit

19024 *Pogonatherum pauciflorum* ^{Low back}
~~*Pogonatherum*~~
Rocky near summit

Zizania latifolia
Zizania?
Wet place near summit
Wet.

19026 *Capillipedium micranthum*
~~*Capillipedium*~~ *micranthum*
Bank - grass bank at old
crossing near summit

Eulalia
19027 *Pennisetum cantoniense*
Pennisetum
Ground at Mt. Morison
near summit

19028 Apocynin, white
Same loc. near summit

19029 Fungus on
Mimosa

19030 Miscanthus sinensis ^{Anders}
Same loc. upper slopes

1844

Nyssa madagascariensis
19031 Nyssa
Same loc. below
summit

19032 Miscanthus sinensis ^{Anders}
Same loc. upper slopes

19033 Chenopodium palmifolium ^{Mild 1844}
Same locality as 1844 but a
small specimen.

19034 *Bambusa nuda* (Munro) ...
Shrub 10m tall. Shoots
glabrous. Small only.

19035 *Polytoca heteroclita* (N) ...
Shrub 10m tall. Shoots
glabrous. Small only.

19036 *Arundinaria nuda* (Munro) ...
Shrub 10m tall. Shoots
glabrous. Small only.

19037 *Eragrostis amabilis* (H.M.) ...
Stems of *Arundinaria* - prostrate

19038 *Allotheropsis pumila* (K.B.) H.M. ...
Shrub 10m tall. Shoots
glabrous. Small only.

19039 *Panicum anticeulata* (Torr) ...
Shrub 10m tall. Shoots
glabrous. Small only.

C 19040 *Leucocleis tenuis* ^{Forst}
Wetland

19041 *Syntherisma longiflorum*
Open ground - old field
tree plain

C 19042 *Pogonatherum panicum*
~~*Pogonatherum*~~
Bank of ditch tree plain

ditto

Amudnaria

19135

Amudnaria

ditto

8-6 feet

Arundinella setacea Trin

19136 *Arundinella setacea*

Dry slope & opening in
mangrove below hotel

Macao - Nov. 6

19137 *Cymbopogon hamatylus*
retrofractus

Dry slope

Arundinella setacea Trin

19138 *Arundinella setacea*

ditto

Syntherisma macrobachne

19139 *Syntherisma*

(Pres) *setacea*

Moist place

Andropogon intermedius R. Br.

19140 *Andropogon* (near *medicus*)

Grassland

Panicum brevifolium L.

19141 *Panicum brevifolium*

Slippery slope

19142 *Panicum patens* L
Panicum pallens
ditto

19143 *Eragrostis ciliaris* Link
Eragrostis ciliaris
Med along road

19144 *Eragrostis pilosissima* Link
Eragrostis pilosissima
Rudly slope

19145 *Eragrostis pilosa* (L) Pers
Eragrostis pilosa
ditto

19146 *Apluda mutica* L
Among brush

19147 *Eriochloa pycnantha* (R. & G.) Ktze
Eriochloa pycnantha
Moist place

19148 *Panicum repens*
Along road

19149 *Heteropogon contortus*
~~*Panicum repens*~~
Rural slope

19150 *Nyssa madagascariensis*
Nyssa
Open slope
A small specimen

19151 *Imperata cylindrica*
Along road

19152 *Andropogon squarrosus*
Andropogon squarrosus
Rural slope

19153 *Chloris paraguariensis*
Chloris
Wet or vacant lot

Syntherisma mucrobachne (Poe.) Hitchc.
19154 Dry hillside (Museum)
Open ground

Dactyloctenium aegyptium
19155 Dactyloctenium
Rock - open ground

Eragrostis geniculata Nees & Mey.
19156 *Eragrostis geniculata*
Rocky slope

Eragrostis geniculata
19157 Dry hillside
Rare hill side ground - probably

Aridopogon schweinfurthii
19158 *Aridopogon schweinfurthii*
Open hillside

Scleranthus ciliatus P. B.
19159 *Scleranthus ciliatus*
Some locality as 19157 - Prostrate
with long runners

19160 *Utricularia ciliosa* (L.) Pursh
ditto - *prostrata*

19161 *Eragrostis elongata* (L.) Link
ditto - *prostrata*

19162 *Cappiola dactyloides*
ditto - long runners

19163 *Lepidoloma clavatum* (L.) Willd
ditto

19164 *Rhynchospora acuminata* (L.) Link
ditto - runners only

19165 *Carpalum serrulatum* (L.) Link
ditto - moss place among rocks
fruit spks seen long than
P. serrulatum

19166 *Capillipedium micranthum*
~~dry slope~~ M. C. C. C. C. C.
ditto

19167 *Saghaesporium ciliatum* P. B.
dry slope

19168 *Syntherisma sanguinalis albida*
ditto

19169 *Eragrostis* ...
Rock, slope
spots, approx. 10cm, near
ground

19170 *Eragrostis* ...
moist area among rocks
for spreading

19171 *Eragrostis* ...
Open ground

Syntherisma longiflora (R. & S.)
19172 *Syntherisma* (R. & S.)
Open ground - low summer
fls. not seen in *S. longiflora*

19173 *Pogonatherum hawaiiense*
~~*Pogonatherum*~~ Lam.
Rocky slope

19174 *Audouinia gracilifolia*
Audouinia gracilifolia
Lam.
